Please address these questions:

1. Provide a list of all M&A transactions in which target or acquirer is Saudi, in which definitive sale or purchase agreement was signed during the year 2023, with:

- Companies involved (Target, acquirer, seller, as relevant)
- the type of transaction (merger, share purchase, asset purchase)
- description of transaction and asset (private/public, cross-border, type of consideration)
- date of signing definitive agreement
- bank role, number of banks involved
- size of transaction

2. Each applicant must provide a league table data extracted from reliable source, which reflects a list of the investment bankers and highlights their rankings in the M&A Market, in which target or acquirer is Saudi.

- Kindly ensure any adjustments are clearly highlighted and explained or otherwise will not be considered an accurate submission.

3. Provide select case studies of 1-2 unique M&A transactions, including description of transaction, any unique structuring or execution elements.

Please share your submission by sending all above requirement to the email:
